#### **2022 JUNIOR CRICKET WINTER SEASON**

Dear Coach

The current league is nearing its end and we are looking forward to our 14-week Winter League.

As we try get back to some form of Normality, we will be starting with friendly games and then move into set league. More than anything we value our members and staff's healthcare, which is why we have implemented Covid-19 Protocols to ensure that you are in a safe, hygienic and comfortable environment. All players will have their temperature taken at the door and need to sanitize on entry. NO MASK NO ENTRY. Masks need to be worn at all times whilst in our facility, with the exception when playing the game. Sanitizer has been placed throughout the arena, please make use of it.

If you're looking for a competitive game of Action Cricket in a safe family environment, whilst having loads of fun, then Benoni Arena is the place for you. All you need is 8 committed players.

Teams are graded into leagues best suited for them, prior to the start of the league. To ensure that your team is placed in the correct grade, all new teams will be required to play two (2)-grading games. Please ensure that your Registration form is in before grading games start.
