2022 NETBALL WINTER SEASON

Dear Team Captain

The current league is nearing its end and we are looking forward to our 14-week Winter League.

As we try get back to some form of Normality, we will be starting with friendly games and then move into set league. More than anything we value our members and staff's healthcare, which is why we have implemented Covid-19 Protocols to ensure that you are in a safe, hygienic and comfortable environment. All players will have their temperature taken at the door and need to sanitize on entry. **NO MASK NO ENTRY.** Masks need to be worn at all times whilst in our facility, with the exception when playing the game. Sanitizer has been placed throughout the arena, please make use of it.

If you're looking for a competitive game of Action Netball in a safe family environment, whilst having loads of fun, then Benoni Arena is the place for you. All you need is 7 committed players.

Teams will be graded into leagues that are best suited for them, prior to the start of the league. To ensure that your team is placed in the correct grade, all teams will be required to play two (2)-grading games.

Important Dates to Remember

Grading Games – Week of the 30th of May and the week of the 6th of June 2022

League Starts – 13th of June 2022

Captains Meeting – 11th of July at 17:45

Medal Finals – **Friday the 30th of September 2022** (please keep this day open)
